Good Friday Metaphysical Service *Releasing & Planting*

Friday, April 19th - 7 to 8 pm

Join us for a special Good Friday Metaphysical Service. We bless our wayshower Jesus even as this day he suffered a crucifixion for we know that he also was awakened to a resurrection. How does this Biblical experience and story have meaning for us today?

We will explore this story metaphysically to determine what we might want to cross out or release in our lives so we can experience an Easter blooming of spiritual growth.

In the rich soil of your mind and heart - as you dig deep - what might you want to eliminate so that the beautiful ideas from Divine Mind might take root and grow unimpeded? How can you better co-create with the Divine?
