

# ***Unity of Greater Hartford*** ***January Sunday Morning Class***

## **Henry David Thoreau** ***& The New England Transcendentalists***

**Sundays: January 7 to 21 – 9 to 10 am**

The New England Transcendentalism movement had many roots but the vision and application of its impact came from the remarkable creativity and commitment of **Henry David Thoreau**.

These three Sundays will explore the life and philosophy of Thoreau and then discuss where we find intersection with Unity principles and teachings. Taken from ***The Great Courses*** ([www.thegreatcourses.com](http://www.thegreatcourses.com)) - *Emerson, Thoreau, and the Transcendentalist Movement* – each class will begin with a 30 minute DVD lecture and then will follow with a 20 minute discussion. The lecture outline will be distributed at class. **Kathy Digges, LUT** will facilitate this class.

"Without Emerson and Thoreau," notes DVD Lecturer Professor Ashton Nichols, "the United States would not have developed into the nation it has become. If Emerson gave us a new view of America and American thinking, Thoreau gave us a new way of living and a new vision of each individual."
