For many years Linda and Peter Jacques brought their Sound Healing experience to Unity on Friday evenings. We are thrilled to welcome their healing meditations back for one evening and very grateful that they asked to do this as a fundraiser!

Everything in the universe is in a constant state of vibration, including our bodies. Experience the vibrational healing of the gongs and crystal bowls during this deep sound meditation. Their resonance affects us at deep levels of being.

What to bring: Bring water, something soft and comfortable for the floor or an anti gravity chair, pillow, blanket, and an eye covering if you like it dark. Please no scents or perfume.

About Linda & Peter:

Linda and Peter Jacques studied with Gong Master Don Conreaux and Mitch Nur PhD.

To register: Register online at www.unityhartford.org up until Thursday, September 27th - 3pm. You may also register by check or cash at the Unity office up until Thursday, September 27th - 3pm.
