Join us for this unique online opportunity to learn about the nine fundamentally different lenses through which we see ourselves and the world. The **Enneagram** is an ancient system of knowledge that can help you to better understand how you process, prioritize, and communicate your needs and desires. Although we will be following safe distancing, we will be socially connecting through discussing, questioning and sharing!

- Gain greater self-awareness and connect with other like-minded people on a kindred path.
- Cultivate greater understanding of and empathy for others.
- Learn practical tools for personal growth and spiritual unfoldment.

Important: Online Enneagram tests are not definitive! However, they can be a very helpful start on your journey of discovering your Enneagram Type. If you are brand new to the Enneagram, we recommend that you take one or both of these online Enneagram tests to gain a sense of where your Type might be.

◇ Riso-Hudson Enneagram Type Indicator (RHETI® version 2.5) - \$12 at <https://tests.enneagraminstitute.com/>
