

Dear Beloved Unity Community,

Our newly-elected Board and I have prayerfully considered the situation with Covid19 (Coronavirus) and have come to the unanimous decision to close the church building starting today until April 13. Prior to April 12th, we will reevaluate the situation.

March 20, 2020

Only staff will have access to the building although they are encouraged to work from home as much as possible. This closure also includes our many renters and self-help groups.

We have peacefully made this decision out of love knowing that lessening our physical contact with each other lessens our potential exposure. By closing we can help keep our bodies from being unwitting vehicles for the virus to jump from doorknob to doorknob, credit card to credit card. Closing our church building was a loving decision to help contain this virus and save lives.

We also know that our building is not our church, it just happens to occasionally house our church. Our church called Unity of Greater Hartford resides in each of us and no matter where we are, there is the church and there is the Divine.

Our Board has also rededicated themselves to continue to tithe to our Unity Church and to ensure that our church continues to tithe to other Unity organizations. We ask that you join us in this rededication and continue to give to Unity of Greater Hartford from a deep love of Unity teachings. Please visit our website for how to give electronically although you may also mail your gift or tithe.

Although we are not physically together in our church building, there are many different opportunities for us to interact. In addition to this listing, there are more on our website:

Sunday Services – Please join us on our Facebook page – Unity of Greater Hartford – for our 10:30 am Service live-streamed with our Minister Rev Christine and our Music Director Carolyn Fischer.

Wednesday Evening Healing Meditation Service – We will also be livestreaming this service on our Facebook page from 7:00 to 7:30 pm. Please feel free to let us know you are joining us with a comment and of course feel free to interact with each other.

Coffee (or Tea) with the Daily Word and Rev Christine – Beginning Monday, March 23rd please join us every weekday morning at 8:00 am to read the Daily Word and enjoy a minute in the Silence and then if you have time, stay and chat with each other. We will use the platform ZOOM to do this. Participation instructions are on our website.

Let not your heart be troubled. As you go within, you will find your peace and the power to be a peaceful blessing in the world. You are a peaceful blessing!

With much gratitude and love,

Rev. Christine Boylan and the newly elected 2020 Board of Trustees:

Scott Harrison, President; Lee Dittman, Vice President; Terry Guzauckas, Treasurer; Sandra Dickerson, Secretary; Angela Cimadon and Wendy Billings, Members at Large.
